

KING FAMILY REUNION

Sat. June 27, 1992 10:00 a.m. Kings Valley School

As usual this will be a combination work shop and gettogetherto bring information to share along with a salad, main dish, or dessert. Also bring table service and your own drinks. Coffee will be provided. David Frank plans to bring his copier again, that is if he can get someone to help him load it. Thanks David Feltz appreciated it last year. Charlotte Wirtz will bring her collection on Kings Valley area photographs. If any of you have photos you would like to add to the collection, please bring them. She will have her camera set up to copy photos at the reunion. Negatives are on file and prints can be ordered at cost.

Charlotte plans to be at Kings Valley School at 9:15 to set up tables and get the coffee brewing. Anyone that would like to help with those tasks is welcome. Tables and chairs have to be put away and the kitchen left spotless when we leave. That has never been a problem for our group.

If any of you have specific projects you've been working on or have any information that may interest people, please let Charlotte know before the reunion. Queries, ideas, and suggestions are needed. These will be compiled into our first newsletter to be handed out at the reunion.
